Subscription Rate List-2017

Subscribe to the Journals of the IETE

to keep yourself up-to-date in state-of-the-art,

1. There have been unprecedented advances in science and technology in recent years. New inventions and innovations are being reported in quick succession. The industry is becoming highly research-oriented and competitive. Growth of knowledge is increasing at such a rapid rate that a professional has an uphill task keeping oneself up-to-date in the area of one's specialization. Towards this end, IETE caters to the needs of electronics, telecommunication and IT professionals by publishing highly informative journals. IETE assists a professional through dissemination of current knowledge thereby enabling him / her to contribute substantially towards the profession and match the changing requirements of society. **The IETE journals are indexed by reputed national and international abstracting agencies**.

2. Leading organizations within the country and abroad including R&D establishments, educational institutions, polytechnics and libraries subscribe to the IETE journals. **The non-member readers are invited to subscribe to IETE Journals.** The brief scope of journals is as under:

- **IETE Journal of Research (Bi-monthly)*:** contains R&D type articles, original research and review papers covering state-of-the-art technologies (ISSN 0377-2063) **Impact Factor- 0.284**
