THE INSTITUTION OF ELECTRONICS AND TELECOMMUNICATION ENGINEERS

GUIDELINES
IETE STIPEND FOR M. TECH /M.E. STUDIES FOR IETE GRADUATES

1. **The Scheme:**

1.1 IETE Governing Council has approved three stipends of AMIETE on merit basis (to be decided by the IETE Board of Research, Innovation and Standard and IETE Governing Council) for pursuing M.Tech studies after completing AMIETE Degree Programme and taking admission at institutions/colleges as listed in Para 1.2 in the following disciplines broadly falling in Electronics, Telecommunication, Computer and IT areas of interest to IETE.

• Microwave and Radar Engineering

• Science & Technology of Electronics

• Telecommunications

• Electromagnetics

• Information Technology

• Instrumentation & Measurements

• Circuits and Systems

• Medical Electronics

• Electronic Devices & Components

• Nano Technology and Nano Materials

• Opto Electronics

• Power Electronics

• Computer Science and Engineering

1.2 Eligibility for stipend is subject to getting admission in any of following institutions/ colleges in India in their M.Tech Two Year Regular Courses as per the broad areas defined in Para 1.1 above:-

• All IITs, IISc, IIITs, NITs and ALCCS (IETE)

• All UGC approved Universities/ Engineering Colleges/Institutions

• BITS

• All Govt aided Institutions

• All Engineering Institutes approved by AICTE

2. Nature of support:

The financial support will include a monthly stipend of Rs 10,000/- per student for the total duration of the course, irrespective of the date of sanction of the stipend by the IETE Governing Council. The grant of stipend is subject to the condition that student should not be receiving any emoluments/funds/freeship for the proposed M.Tech course from any other source or organization right from the start of the 1st semester of two year M.Tech programme.

3. Duration:

The duration of each stipend will be for a period of maximum two years covering the M.Tech studies period subject to satisfactory performance in each semester. Continuation of the stipend during these two years will be based on the half yearly or semester wise performance of the student as well as receipt of report on quarterly basis from the Head of the Deptt. that the Student has devoted 4 Hrs per week to Guide/ Teach students in his/ her College/ Institute or nearby IETE Centre.

4. Scope of the scheme:

IETE Graduates in ET, IT and CS streams of AMIETE examinations should first seek admission/get enrolled for M.Tech studies in any of the institutions/colleges as listed in Para 1.2 above in a discipline of interest to IETE as defined in Para-1.1 above. After securing the admission, the candidate should submit the application to the Secretary General, IETE HQ, New Delhi so as to reach him on or before 31st Oct. The application must be duly recommended by the Head of the Department/Faculty and counter signed by the Head of the Institution/College where the applicant is enrolled/ has taken admission.

5. Selection:

The applications thus received will be processed for consideration of the IETE Board of Research, Innovation & Standard and for subsequent approval of the IETE Governing Council. Selected candidates will be individually informed.

6. Monitoring:

The progress and performance of selected candidates for continuation of stipend would be monitored on the basis of six monthly or semester wise examinations conducted by the Institution as well as the confirmation of the fact by the Head of the Deptt. on quarterly basis that the candidate has devoted 4 hrs per week to Guide/ Teach students in his/her College/ Institution or nearby IETE Centre.

Attested copies of marks sheets should be submitted by the student after each six monthly or semester examination to IETE HQ for the perusal and information of the IETE Board of Research, Innovation & Standard. In case of unsatisfactory performance as assessed by the Board, the stipend would be discontinued for the further remaining period.

7. Application:

Application on a plain paper with proof of admission in the 1st Semester of M.Tech studies as per Para 4 above and attested photocopies of AMIETE degree certificate and Marks Sheet should be submitted to the Secretary General, IETE HQs, New Delhi so as to reach him on or before 31st Oct at the address given below.

Secretary General Institution of Electronics and Telecommunication Engineers (IETE) 2, Institutional Area, Lodi Road, New Delhi 110 003

The envelope containing application should be boldly marked on the top as

"**Application for IETE Stipend for M. Tech/ME Studies**".
