

## PAC News

**IETE PAC at KIIT College of Engineering, Gurugram, Haryana** conducted a one-day workshop on “Digital empowerment of Rural/Urban women” as a part of digital initiative of Govt of India on 28<sup>th</sup> Feb 2018. The workshop was sponsored by IETE, HQ, New Delhi under Women for Empowerment in Engineering Committee (WEEC) programme.

About 80 participants from village Bhondsi, Ghamroj, BSF Camp, Naya Gaon & nearby areas such as Marutikunj were attended. The faculty of KIIT College of Engineering has given them hands as training so that they can use Internet, google, facebook, WhatsApp etc. and then emails has also been exchanged in many cases. House wives, young womens and girls have attended the program including practical in computer labs. The event was graced by Senior Scientist & Engineers and Academician form IETE, New Delhi and KIIT Group of Colleges. The feedback collected from the participants shows then happiness & great enthusiasm amongst the participants in moving forward in digital initiatives of the IETE & KIIT.
