

IETE & Sedulity signed MOA for ‘Cyber Security’ training Programs

17/05/2016

New Delhi:

IETE, the India's leading recognized professional society devoted to the advancement of Science and Technology of Electronics, Telecommunication & IT and Sedulity Solutions & Technologies, Leader in Cyber Security Services providing end-to-end customized Cyber Security Solutions, to provide Courses on Cyber Security, Cyber Laws, and Cyber Forensics across the India in order to spread the awareness and importance of Cyber Security and to make India Cyber Secure.

IETE, provides leadership in Scientific and Technical areas of direct importance to the national development and economy. Government of India has recognized IETE as a Scientific and Industrial Research Organization (SIRO) and also notified as an educational Institution of national eminence.

Whereas Sedulity Solutions & Technologies (Sedulity) is an organization providing Cyber Security Solutions to various Law-Enforcement agencies, Corporate, Govt. organizations, PSUs, Universities, etc. from more than a decade. It is India's first in its kind ‘Memorandum of Agreement’ signed between Sedulity & IETE which is dedicated to provide training programs on Cyber Security, Cyber Laws & Cyber Forensics.

The ‘Memorandum of Agreement’ is signed on 17th May 2016, at IETE HQ – Delhi, by Maj. Gen. PK Jaggia, VSM (Retd) (Secretary General - IETE) and Dr. Anup Girdhar (CEO-Founder Sedulity Solutions & Technologies) on 17th of May 2016 and the document was shared between Smt. Smriti Dagur (President –IETE) and Dr. Anup Girdhar (CEO-Founder Sedulity Solutions & Technologies) in presence of various eminent dignitaries from IETE, Sedulity and other Govt. organizations. Smt Dagur, share the importance of this ‘Memorandum of Agreement’ and showcased different opportunities that will bridge the gap between industry and academia. Dr. Girdhar also added that “the objective of this Agreement is to provide trainings related to Cyber Security, Cyber Laws, and Cyber Forensics, which will make the participants industry ready and give them opportunity to become a part of Billions of Industry. This Agreement will create the perfect opportunity for all the participants who are thrilled to bring Cyber Security on an expanding array of platform, Smt. Dagur added.

India has grown colossal in terms of Cyber Space and is going to be one of the most demanding countries in Internet Era across the world. The courses will create lot of awareness in the Internet users so that they would not be a victim of any Cyber related issue said Dr. Anup Girdhar. In today's technical era, people should realize the importance of Cyber Security and should also take the initiative to learn such technology in order to make Secure & better Cyber world.

There would be 6 new courses which will be starting from Mid of June-2016 and are beneficial to all the students who are looking for Summer/ Industrial Training this summers. For more details regarding these programs; please visit <http://sedulitygroups.com/iete>
