

Students expressed their views with IETE qualification & relevance with their job with great enthusiasm on International Women's Day Celebration held on 19th March 2017 at IETE Ahmedabad Centre

Dipti Patel: Today I am happy to say that any and every successful story would not have been complete without the help and guidance of seniors. I feel myself so lucky that I got opportunity to work in the organization like ISRO. I have been working in ISRO since 30 years. When I joined ISRO, I was just like blank slate. I have learned lot of technical, non technical, managerial, ethical things here from my seniors & friends. By managing personal and professional life well, I have completed study from IETE and it helped me a lot to improve my knowledge and progress of my carrier.

Lina Shah : It is a great opportunity for me to be a part of IETE student section. Continuing with prestigious job as Scientist Engineer "SF" in Space Applications Centre to deliver the Channel Amplifiers for spacecraft in prescribed time limit, maintain the family duties and motivated son for higher education by setting out goal to achieve AMIETE (ET) at the age of 45 years. At that time, it would be almost impossible to attend the college and get the degree. Distance learning course and guidance of learned faculties arranged by IETE, converts impossible to possible to gain knowledge and archived AMIETE (ET). I specially thanks IETE for awarding me on the occasion of women's empower day.

Pravina Bhatt: I am feeling very proud today on the occasion of International Women's Day celebration 2017 at IETE Ahmedabad centre being graduated with degree AMIETE. I am working as Scientist/Engineer-SF at SAC/ISRO, Ahmedabad. I joined SAC after completion of my Diploma in Electronics before 31 years ago. For my professional up gradation very lately I joined correspondence course of AMIETE through IETE, Ahmedabad for my graduation. At the age of 48 years I have successfully completed the above mentioned course and acquired higher Qualification-Graduate Degree of AMIETE in Electronics & Telecommunication Engineering in First division (CGPA 7.27 out of 10) vide examination held in Dec-2011. I am very thankful to IETE for providing me this great opportunity. Being a mother and working woman at prestigious organization with very demanding projects involvement I somehow completed my higher qualification & that credit goes to IETE. Presently I am working in Passive Filters Division. I take privilege to thanks again IETE, my organization & my family for providing support to fulfill my dream.

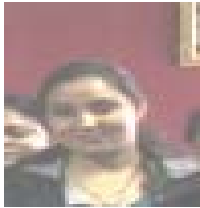

Kajal Parmar : I am Kajal Parmar . I am AMIETE – ET Student, Passed IETE in the year 2013 at presently I am working in SAC-ISRO Ahmadabad as a technical assistant in MRSA/MSICD division. Joined ISRO in May 2013. Very much thankful to IETE & ISRO .

Mistry Kinjal: I am working in Government Industrial Training Institute, Kathlal Since 2012 as a Foreman Instructor. I have completed Graduation from IETE in 2011. I have very good experience of IETE Ahmedabad Center. All the staff are very supportive and offered the best guidance.

I would like to thank you so much to our Chief Guest Smt Arundhati Mishra Madam for her inspirational speech and all respective members of IETE & ISRO and my friends. We are very encouraged by her speech. I would like to also thankful to you for inviting me and giving me this honor. Such wonderful moments!

Sayta Honey: Said that she is working at KVK, Jherda under ITI Deesa District. Banasakantha, the IETE qualification helped her lot to achieve the Govt. job .
