

WEEC Programme Undertaken on 22nd May 2018

A two-hours programme on computer awareness for girl students was organized under the aegis of women empowerment activities of WEEC committee at N P Co-education Govt Girls Sr Secondary School, Lodi Road, New Delhi on 22nd May 2018. The resource person, **Shri P K Juneja**, FIETE, who enlightened the participants on the background of computer history and available career opportunities in this field. Shri Juneja, the instructor used variety of ways to help students develop skills such as audience analysis, invention and delivering. Students are not alike so as an effective instructor, he used various tactics to teach effectively. Impromptu assignments given on the spot made the participants think and organize on short notice. The event on a whole was very beneficial. IETE's aims & objectives were published; WEEC aims were highlighted; the students were enlightened towards the utility of the subjects; students were acquainted with the information of computer in day to day life and the students were happy to be the part of the programme. **Shri V K Gupta**, Co-Chairman, WEEC Committee, **Lt Col Dipankar Sen (Retd)**, Secretary General, Shri Anil Sharma, Dy Secy of IETE and two school teachers of computer were also present during this programme. The Co-Chairman encouraged the student participants. About 45 students were attended. Feedback form taken with IT teachers of the school helped us to understand the need and objectives of this session.
