

## “Women Empowerment in Computer Literacy”

Computer literacy and awareness is gaining a topmost place in today's life. It is basically playing a major role to uplift the society. It is the necessity of the day that everyone needs to educate themselves with the knowledge of this developing field. With this aspect in mind, we realize that the girl students need to be provided with these essential services. In view of that, IETE Delhi Centre had conducted one-day girls training program on Computer Literacy on 22/02/2018 (Thursday) from 10am to 2pm at IETE Delhi Centre by **Mr. ShubhadeepDasgupta, Faculty**. Approximately 30 girls from Govt. SarvodayaKanyaVidyalaya, A Block Janakpuri, New Delhi-110058 had attended the training program.

Mr. ShubhadeepDasgupta had provided them computer training both the theory and practical class. The students participated in this program with great interest.
