

Respected Esteemed Members,

Greetings and Good Morning

I, on behalf of Returning Officer (RO) Prof M N Hoda, wish all the Corporate Members and their family's good health.

I have been directed by the RO to inform that we will initiate the process of electing seven IETE Governing Council members as decided by the Governing Council according to the following schedule

1. Last Date for updating of Data 31 March 2021.
2. Secretary Gen to upload the data on the web site: 01 April 2021 (1100 hrs)
3. Start for Call for Nominations from 00:01 hrs 15 April 2021
4. Last date of Receipt of nominations: 10 May 2021 (2359 hrs)
5. Scrutiny of nominations till: 15 May 2021
6. Intimation for withdrawal to candidates: 15 May 2021
7. Last date for withdrawal of nomination: 25 May 2021
8. Notification of final valid nominations: 27 May 2021
9. Activation of Online voting: 01 June 2021 (0001 hrs)
10. Deactivation of online voting: 30 June 2021 (2400 hrs)
11. Declaration of results by BoS: 02 July 2021

Seven Governing Council members will be elected like every year by the Corporate Members through on-line election, as per Bye Law 41.

Call for Nominations - The process for nominations will be through emails as under:-

1. The Nominator will propose the Nominee and an email will be sent by him/her to the Nominee for his/her consent with a copy to the RO (As per proforma attached). Since due to the present pandemic situation of COVID - 19 the forms will also be accepted through email where in the signature column the nominator can write -Sd/. Or his/her digital/ scanned signatures
2. The Nominee will thereby accept the same and give his /her consent and send the same to RO (As per proforma attached), Here too nominee can write -Sd/. Or his/her digital/ scanned signatures.
3. **This may please be noted that the emails must be sent by the nominator or the nominee only through his/her email ID registered in IETE records.**
4. While preparing Biodata please avoid using special characters, bullets, numeric no. As NSDL system is not supporting for the same. Biodata may be in the form of paragraphs.
