About IETE

The Institution of Electronics and Telecommunication Engineers (IETE) has always been a renowned and credible Institution which was established in 1953 in the pursuit of advancement in Science and Technology and endeavor to embrace quality education. Recognizing that information and knowledge are primary resources, IETE has been engaged, from the very beginning, in establishing national standards for different levels of professionals in their discipline. Developing and improving technical and professional competencies in the working environment is the greatest challenge that professionals face today. To help members avoid technological obsolescence and to achieve the mission of advancing the profession, IETE offers access to latest developments in the field of technology via conferences, workshops, publications and brain-storming sessions.

IETE’s vision is to reach the unreached and empower the youth through technical education and skill development, with a Mission of development of Electronics, Telecommunications, Information Technology, and other related disciplines; and contribute to the nation’s human resource and infrastructure development through engineers and scientists. IETE has been recognized as a Scientific and Industrial Research Organization (SIRO) by the Department of Scientific and Industrial Research, Ministry of Science and Technology, Government of India. The Government of India has also designated the institution as an Educational Institution of National Eminence. The names of eminent personalities such as Dr K Radhakrishnan, Dr A P J Abdul Kalam, Dr Sam Pitroda, Shri Sunil Bharti Mittal, Shri Azim H Premji and many such other dignitaries are associated with IETE. IETE has been blessed with the presence of stalwarts like Late Dr. Sarvepalli Radhakrishnan, Ex-President of India, Late Smt. Sushma Swaraj, Ex-Foreign Minister of India and Shree Narendra Modi, Honourable Prime Minister of India in the year 1953, 2003, 2011 respectively.

Since its inception, the Institution has come a long way with a tremendous growth under the vision of its Presidents and the guidance of its Councils.
