Professor, Mahaveer Institute of Science & Technology, Hyderabad

United Nations Civil Police Officer (2004-05), Deputy Inspector General of Police, (Rtd),

President's Message for Students Day Celebrations on 2nd Feb 2023

To: Our Dearest Students,

Greeting for You and Your Family Members in the New Year 2023.

As you all know, IETE celebrates Students' Day, every year, on 2nd February, with great zeal, at all its 63 centers across the Nation and abroad. This year, this day will be celebrated with more enthusiasm. Our students are our strength and they are the Nation Builders. Our Alumni students are spread across the Country and abroad.

We from IETE are very keen in imparting best teaching methodology during their curriculum progrmmme.. We take all efforts to provide You, appraisal on latest art of technology in the areas of, IT & Communications, through our Seminars, Workshops and National and International events conducted regularly across the Country and Abroad..

Students Day is very important for IETE students and IETE Corporate Members to recollect and realize the importance of our Association with IETE Students.

This is the day of Celebration of Our IETE AMIETE, Dip IETE & ALCCS students and IETE ISF Institutions Students . All the Centers, Sub Centers and PAC and ISF forum Colleges and Organizational Members Colleges are requested to celebrate this day across the Country and Abroad with events of interest to the Students .

I wish IETE Students Day events to be celebrated, a grand success . The events of celebration will be covered in IETE Web Sites, and will be published in the forthcoming issues of IETE newsletter and Journal of Education.

With Best Wishes

Yours Sincerely

Prof (Dr) V Gunasekhar Reddy
President, IETE
