

IETE-IRSI (83) MAIN AND YOUNG SCIENTIST AWARDS-2024-25

During the 68th Annual IETE Convention (AIC), the 2025 IETE Award ceremony took place at the CSIR-Central Scientific Instruments Organization (CSIO), Sector 30, Chandigarh. It took place on September 27 and 28, 2025. Unfortunately, the IETE-IRSI (83) Awards Committee was unable to meet earlier, thus the 2024–2025 IETE-IRSI (83) Awards winners could not be announced alongside the other winners.

The Committee recently convened in Bangalore and announced their results. Along with the 2025–2026 winners, the newly declared names of the 2024–2025 winners will also receive their awards this year. As soon as the date and location are confirmed, the recipients will be shared details.

IETE extends its warmest congratulations to both recipients of IETE-IRSI (83) Awards of 2024-25.
