About IETE- Hyderabad Centre

IETE-Hyderabad Centre is the biggest in the country which was established in the year 1973. As on March , it has a strength of 2628 corporate members, about 3000 student members, 88 student forums and 43 Industrial members. In these 50 years, the center has made many rapid strides in achieving academic as well as professional targets.

About IEEE MTT-S/AP-S/EMC-S Joint Chapter

The IEEE MTT-S/AP-S/EMC-S Joint Chapter was established in 2008 under IEEE Hyderabad Section. The chapter is driven by the motivated volunteers and members to increase the spread of microwave technologies, antennas & propagation, electromagnetic compatibility related knowledge and information among professionals and researchers. The Chapter of Hyderabad Section with around 800 members has received Outstanding Chapter Award for the year 2015, 2021 for its outstanding contribution towards achieving goals of serving society through technical advancements.

ABOUT WORKSHOP

The objective of the workshop is to enhance skills and motivate the importance of EMI/EMC in engineering Industry and to impart training to delegates in the context of latest trends in technology and engineering perspective.

TOPICS TO BE COVERED

- Re-collection of EM Fundamentals.
- Grounding and shielding methods.
- Requirement of EMC for the electronics gadgets/systems.
- Various EMI/EMC standards
- Calculation of Field
- Applicability of standards based on the deployment of system (Army, Navy, Air force, Consumer goods).
- Testing methodology, Test setup, circulation of field strength based on the RF emitting sources.
- Interpretation of test results.
- Fixing of problems observed through case studies

RESOURCE PERSONS

From IITs/IIITs/NITs/ Industries/ R&D Organisations

WHO CAN ATTEND

Delegates from Industry, R&D Organisations, faculty from academic institutes, Research scholars
